## February 2023

### President's Message

**Happy New Year!** 2023 kicks off with some great activities and fundraisers. We start off with our bus trip to **Apron's Cooking School** featuring a "**Some Enchanted Evening**" menu and demonstration. Yum, the menu looks scrumptious. Next is our give it a try "Black Diamond Fun Golf Scramble" (***sold out***). **February opens with the Leesburg Blues Brothers Tribute Dinner & Show (*filling up quickly*)** and brings back our "Bunco on the Bayou" Tournament. Read on for more about upcoming events.

You may recall that last month, I welcomed the new year **with a quote by author Edith Lovejoy Pierce: "We will open the book. Its pages are blank. We are going to put words on them ourselves.** The book is called **Opportunity and its first chapter is New Year's Day."** Well, January is the time we begin to look to the future and start to plan for the following club year.

I invite each of you to join in and be part of writing the next chapter. **Please consider getting involved with the club's operations; bring new ideas to the table and help us to sustain our mission.**

## February 2023 Luncheon Entertainment: Who is Al Chance?

The **Nature Coast & Sun Coast** now have a professional singer and recording artist who has been **performing for over 40 years**. Al has worked in bands, orchestras, recording studios and vocal quartets in the New York City area, but most recently as a solo vocal artist. As such, he has **performed in New Jersey, Tucson, El Paso, New Mexico, Spring Hill, Brooksville, The Villages, Tampa, Port Richey, Wesley Chapel, Lecanto, Ocala and Homosassa**. His performances are delivered singing over his own pre-recorded background music tracks - **the same digital music technology that the world's greatest singers today also utilize in their live acts.**

Chance is known for his wide range and vocal imitative morphing skills in **crossing styles and genres of music from Swing and Standards to Opera, R & B, Doo-Wop and Rock to today's Latino & Country artists**. He is one of the very few vocalists who can render everything from **the baritone of Frank Sinatra to a Frankie Valli/Smokey Robinson falsetto, with every note on perfect pitch**. He DOES NOT use "Vocal Tuners" or any other new technology devices to enhance his voice.

### **His vocal tributes are reminiscent of:**

**Tom Jones, Engelbert Humperdinck, Jim Morrison (Doors), Michael McDonald, Van Morrison, Robert Lamm (Chicago), Gary Puckett (Union Gap), Blood, Sweat & Tears, Levi Stubbs (Four Tops), Smokey Robinson, Johnny Cash, Russell Thompkins, Jr (Stylistics), and of course - Elvis!**

## Carter Head Start School Needs

For the past four years, **Sue Miller has knitted hats and mittens** for the children at Carter School. She would welcome acrylic yarn #4 (regular weight) to continue her great outreach knitting. If members have a yarn “stash” waiting to be donated, consider bringing it to the February luncheon and placing it in the Carter bin.

**Gently used children’s books** are always in demand at Carter School. Teachers use them in the classroom, and some are sent home with the children. Garage sale enthusiasts look for books appropriate for 1–5 year old’s. The books may be placed in the Carter Bin at the luncheons.

Needs: **Yarn and Used Books**

## CHWC Paw Pantry Needs:

Unopened dry or canned dog food  
Unopened dry or canned cat food

Watch for BOGOS at Publix's Pet aisle/ any brand or size accepted.

By donating to the CHWC Paw Pantry program, we can make a difference in the lives of over 100 senior's Pets. At this month's luncheon, CHWC partnered with Pet Sense who contributed **125 pounds of dog and cat food** to add to our member's donations of **186 pounds**. We will be collecting again at the next luncheon to accept your generous donations. **Any brand, any size of unopened, canned or dry dog and cat food is welcomed and appreciated.**

The **Citrus County Pet Meals Program** is supplemental to Meals on Wheels. **Pet Meals started nearly 19 years ago** when a very thin man receiving **Meals on Wheels** was only taking small bites of his food and then placing his food tray on the floor for a **much beloved Chihuahua to finish his meal.**

When asked why he was doing this, he stated he did not have the money to buy dog food any longer and that he would rather go hungry than not feed his pet. **Pet Meals is a 100 percent donation-based and volunteer driven program that provides dog/cat food to about 100 home bound seniors.** Food is not guaranteed and relies on the generosity of the community.

**Pets are often the only consistent companion** many seniors have and are often considered part of the family and pet food is a big expense.

store pet donations. Store manager, **Jennifer Britt** was very happy to partner with Paw Pantry in making Christmas a little brighter for **Pet Meals** deserving pets. Each month, **Petsense chooses a needy pet group to support**. When approached by CHWC, Jennifer was only too happy to say “yes” and lend her support. Her and her store's wonderful customers during the month of December

accumulated over **100 pounds of dog/cat dry and canned foods, dozens of Treats and over 100 toys of all varieties .....bouncing balls, colorful mice, rope chew toys and cuddly plush toys !** All in all making for many happy pets.

IN THE  
**SPOTLIGHT**

**Name:** Kimberly Dahlen

**Member Since:** 2020

**State:** Illinois

**Month:** February

**Facts:** I was born in **Illinois and am the oldest of 7 children**. In high school, I played the lead female roles in the musicals, South Pacific and Music Man. In the marching band, I **played the clarinet and accompanied others at competition on the piano**. I still enjoy playing the piano. I received a **degree in Business from Saint Mary-of-the Woods College** in Indiana and entered law school. After my first year of law school, I married my husband, Michael, who is also a lawyer. **We have been married for 45 years**. During the summer before my third year of law school, I was a law clerk for the Illinois Appellate Court, 5<sup>th</sup> District. After passing the bar exam, **I was employed as the first woman prosecutor in Williamson County**. I was offered a job in Marion County as a prosecutor. When my husband accepted a law position in Wheaton, Illinois, I applied for a position at the DuPage County State's Attorney's Office and worked in their civil division.

After several years in DuPage County, Michael joined a law firm in Southern Illinois. We moved to Carbondale, Illinois. I worked in the Jackson County State's Attorney's Office until I was appointed as an **Assistant Illinois Attorney General where I was the director of the Illinois Attorney General's Satellite Office in Carbondale**. I was appointed as the first woman to be an associate judge in the First Judicial Circuit. **I was reappointed every 4 years for 27 years**.

After 10 years of marriage, our son, Patrick, was born. As a family, we spent time travelling, hiking, biking and church activities. Patrick was an athlete, so we spent time watching and participating in several sports. When **Patrick graduated from Georgetown, we decided to make Citrus Hills our retirement home**.

I have learned to play **mahjonn, canasta, golf and pickleball**. **Michael and I enjoy our pool** as well as the local theater in Citrus County and the entertainment in Citrus Hills. Most of our enjoyment comes from our new friends and neighbors.

**Open Secret:** I remember presiding over a criminal case and the defendant decided to bolt from the courtroom during a recess. In trying to apprehend him, the bailiffs drew their guns, chased him out the front door, and apprehended him. The jury did not know what the commotion was about, so the trial went on. He was found guilty, and based on his prior record and the sentencing guidelines, he received the maximum sentence.

**Wish:** When I started college, I wanted to be an **opera singer**.

## Why Scholarships?

Have you ever found yourself wondering how our Citrus County community can possibly use all the food that **CHWC collects at its luncheons every month**, or the **500 pounds of pet food** we donated in just one month last year, or the hundreds of warm clothes that filled most of a large truck after our November luncheon?

As abundant as the donations sometimes appear, an **article published in the Citrus County Chronicle**

**CLASS OF  
2023**

**on December 22, 2022**, written by Michael Bates, helped to clarify for me the enormity of need in our local environs. As you may have already read, Citrus County was ranked **#34** out of 67 Florida counties for the educational well-

being of our children, and **#30** for family and community well-being overall in a recent report issued by the Florida Policy Institute. **Data was collected** from the Florida Child Well-Being Index. The Institute developed the rankings using data from KIDS COUNT, a project of the nationwide Annie E. Casey Foundation.

The article describes the effort underway in the County, Prosperity Chain, **“which seeks to break the chains of generational poverty by 2030.”**

The most powerful way that we as caring, supportive citizens can break those chains is by investing in our children.

CHWC does this in many ways in addition to our collections of clothing, food, and supplies that families need for daily survival.

## Why Scholarship? (continued)

We participate in the “**Adopt A Child Program**” at Christmas time to ensure that all needy children in our county are blessed with gifts from Santa. **We support the Carter School, an important head start program, with our time, skill and donations of supplies.** We contribute to several important **local charity groups** who provide necessary services and support to children and families so that they do not, for example, go hungry or suffer from abuse.

And we provide **scholarship funds to high school and college students** who need our support to continue their education. Research has long shown that **the single most powerful**

**way to break generational poverty is**

**through education.** Whether it be a degree in molecular biology from UF or a certification in office management from WTC, the students pursuing these goals are taking the necessary steps to become productive citizens.

Claire Lindley, Nanette Mitchell, Jane Dempsey and Sarah Hennessey (Winner of \$100)

It will be through the hard work of these young people that our **County will be able to raise its rankings in the Florida Child Well-Being Index.** These young people will work hard and be able to support and educate their own children. They will lead happier and more fulfilling lives while building a stronger community.

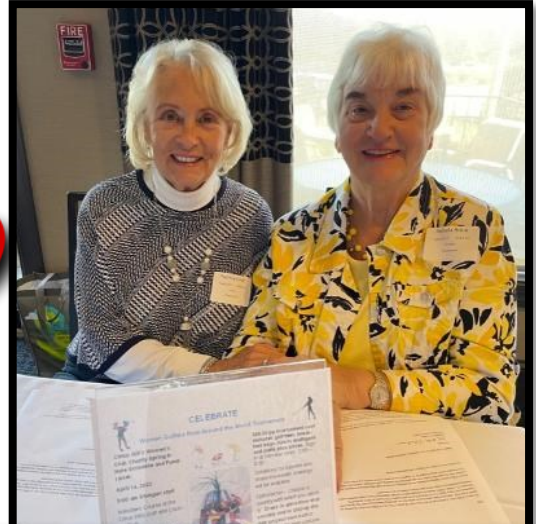

And believe me, they will remember us, the people who have helped them **escape from generational poverty.** And they will smile when they read an article in the paper, several years from now, which states how Citrus County has worked hard to raise its rankings.
