

CHWC January 2023 Newsletter

President's Message

As 2022 comes to a close, we reflect on the many things we did and recognize those things done well and those that have further promise. With that, we challenge our thoughts and ideas for the future.

The **CHWC 2022-2023 year highlights a significant milestone** – we attained the status as a IRS recognized 501c3 charitable organization. While this is all still new to us, **a world of opportunity has opened up for us to grow and transform the future.** Many hours of planning and hard work went into motion and yielded some tremendous results so far. We added a unique flair to some of our all-time favorite fundraising events: **our Fall Mahjong Tournament, Fall Golf Scramble, and holiday Craft & Bake Sale.** Collectively, these events raised a substantial amount of funds for our charity and scholarship programs. Debuted for the first time was the **“Let’s Give It A Try” small group activities, offering a versatile assortment of fun things to do,** while also adding some different flavors of bus trip activities. We embraced fresh approaches for collecting for charities, all which were very successful. The 2022-2023 year certainly made an exciting entrance, and it is paving the way for our future CHWC endeavors and successes.

Now here we are, a new year – 2023 has arrived. As author Edith Lovejoy Pierce described it: **“We will open the book. Its pages are blank. We are going to put words on them ourselves. The book is called Opportunity and its first chapter is New Year's Day.”** What better way to predict the future than to create it. So, ladies, I invite each of you to join in and be part of writing the next chapter. I am confident that together, **we can craft an extraordinary and positive future.** We have an exciting line-up of ideas planned for 2023 and we need you to make it come alive – **be a leader in making the difference!**

Happy New Year! **May your year be healthy and prosperous.** I look forward to getting together at our January luncheon and working with you to write the new chapter to our book!

All my Best, Cheryl

January 2023 Luncheon Entertainment: Author Dylan Newton

Dylan Newton was born and raised in a small town where **the library was her favorite hang-out**. After over a decade working in corporate America, **Dylan quit to pursue her passion: writing books**. The gamble paid off with four published novels, and more to come!

Dylan's debut romantic comedy **HOW SWEET IT IS (2021)** received a **starred Kirkus review** as, "A hilarious rom-com romp that delivers on both sweet and heat," was tagged as a rom-com selection by **The Nerd Daily**, and was named to PopSugar's list of "**12 Swoon-Worthy Romance Books to Read in 1 Sitting**," and **selected as a book club read in the July 26, 2021 edition of Woman's World**.

When she isn't writing, **Dylan is pursuing her own happily ever after** with her high school sweetheart as they split time between Florida and Upstate New York with their **two much cooler daughters**, and a **tone-deaf cockatiel**.

CHWC Charities Drive-Thru Collection a Collaborative Success

It was a **beautiful day on November 30th** when our members held their **third drive-thru collection for charities** of the calendar year. The collection of food and clothing, pet food, Christmas gift items for Carter Street Head Start School and various items needed by CASA was held in the parking lot at **Good Shepherd Lutheran Church in Hernando**. The response from you, the members of our club, as well as the public was incredible!

Lots of food was received for **the Family Resource Center** to help with feeding those in need. The **Paw Pantry program** received donations of nearly **500 pounds** of dog and cat food. **CASA was the recipient of an unusual amount of TP, baby items**, condiments and miscellaneous items. Carter Street Head Start school, which is one of the Club's original charities, received Christmas items delivered to the children at the school by **CHWC members on December 9th**.

Our thanks to everyone who brought items to this event. Your participation was appreciated by those CHWC members working the event and all four agencies who received the donations. We also want to thank **Rev. Dennis Koch, Pastor of Good Shepherd Lutheran Church**, for permitting us to use their parking lot for the drive-thru and the Citrus County Chronicle for helping to sponsor the event. Again, our community and members came out and blessed those in need with their donations through this event. We are grateful and **thank all of you for participating.**

Thank You Ladies!

Dear Santa,

Us kids woke up on Christmas morning not knowing if there would be gifts under the tree for us this year. But, what to our surprise, we received a brand-new pair of shoes and new clothes to go back to school in. And guess what Santa, we also got a toy we loved and blankets to keep us warm at night. Thank you so much Santa for our gifts.

You made us kids very happy!

Sincerely, Billy

Whether you adopted a specific child or children, had us shop for a child for you, donated funds to provide gifts for children, bought toys or clothes for any child, helped wrap or brought the Elf's food to eat, we hope that your heart was as full of joy as ours was for just being a **part of this wonderful project**, knowing it made so many children happy!

You are the most generous group of ladies I have had the pleasure working with throughout the years. I hope your Christmas is special and that you will be Blessed in 2023 with Lots of Happiness and especially Good Health!

Let's Try It Out Organized Activity

Thirteen adventurous members journeyed to Crystal River to test their deductive skills and attempt to open the exits at **Escape Room Crystal River**.

The three teams found themselves in **Alien Autopsy, Hidden Treasures of the Swamp, or Mystery at the Mansion**. Despite having several women who had tried escape rooms before and had some experience, **none of the teams successfully escaped.....** despite what the pictures show.

Afterwards, some of the group **elected to debrief at Kelly's on the Half Shell**. Plans were hatched about how to do it better the next time. Despite the lack of success at escaping, **everyone enjoyed the afternoon**.

Let's Try It Out Organized Activity

The second **Let's Try It Out** activity of the fall was a series of trail rides organized by **Elizabeth Gannon** through the **Withlacoochee State Forest**. Two rides on two beautiful days provided the opportunity to get out in nature and explore Florida flora and fauna. The **gentle horses at Rymar Ranch** ensured that all the riders regardless of skill level were able to enjoy the scenery. On the first ride, the group spotted a pileated woodpecker, or more commonly known as a red-headed woodpecker.

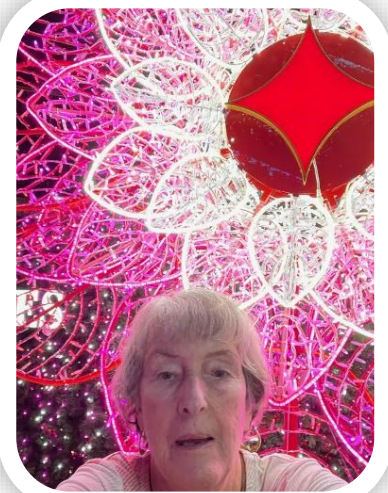

During the summer the **Citrus Hills Women's Club** introduced a new program called **Let's Try It Out**. Designed for smaller groups, the objectives of the program are: to provide a wide range of activities; give members the opportunity to **get to know each other better in a smaller setting**; and for members to share their interests by organizing an activity to find additional enthusiasts.

ENCHANT ST. PETERSBURG, FL

Over three million lights, a giant 100' lighted Christmas tree, flying dolphins, and more greeted CHWC members, spouses, and friends as they entered the illuminated winter wonderland – Enchant Christmas. **Holiday magic was everywhere as we wandered through the maze of lights and shops.** From a floor that changed colors as you walked on it to a larger than life sleigh made of lights to giant candles made of lights, **Enchant was a feast for the eyes.**

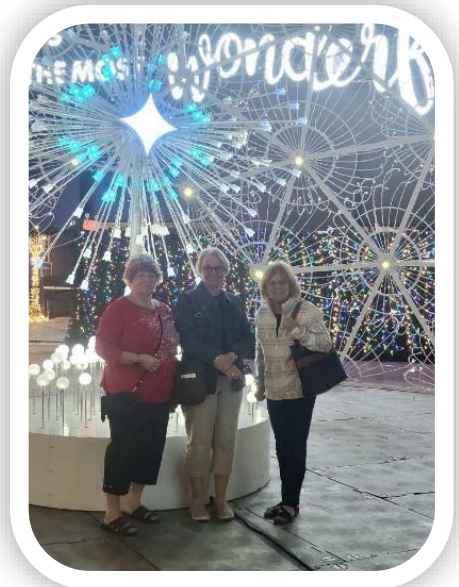

An indication of how magnificent the lights are is that when a call for pictures with members in them, **the majority said that their pictures were of the lights.**

Santa's Magic Timepiece, the theme of this year's presentation, featured eight stars to find in the maze. While some of the members managed to get their **"passport" stamped for locating each of the eight stars**, others just wandered through the maze marveling at the variety and originality of the light sculptures. To listen to members talk about

what they'd seen, you might have been convinced that they had been to different places as a common refrain was, "I didn't see that. Where is it?" Unfortunately, **giving directions in the maze was nearly impossible.** "Over there" was the most common response. Fortunately, there was an overlook of the entire show from an upper tier to help you get oriented or just to take in the magnitude of the display.

While most of us missed seeing Santa....he must have been in the maze somewhere....**he did leave each of us a goodie bag with candy and lottery tickets on the bus.** An informal show of hands indicated that there had been a number of good boys and girls this year as evidenced by winning a few dollars. **You couldn't help but get into the holiday spirit at Enchant.**

Name: Gail Palmer Member Since: 2008

State: Missouri Birth Month: November

I was born in Kansas City, Missouri and lived my entire life there until I took **early retirement in 1990**. I was a manager at Southwestern Bell, where I met my husband, Mike, who was also a manager there. **We were married 25 years**. We had a small sailboat on a lake and loved sailing and the water.

We loved traveling and took a trip to St Croix USVI because there was an Annapolis Sailing school there. **We loved St Croix and knew we wanted to retire there**. We continued to go there for several years on vacation and then began to bare boat charter from St Thomas and the British Virgin Islands. We took SCUBA diving classes in Kansas City and had to do our checkout dive in a very cold murky strip pit called Oronogo. Our first dive after that was in Cozumel.

In 1991 **we moved to St Croix and bought a 31 ft sailboat**. We were able to do a lot of sailing and diving. In 1993, we left to work for a contractor for Southwestern Bell in Mexico City. We lived there for 2 1/2 years and traveled a lot around Mexico. When we returned to St Croix, we sold our boat and bought a Tayana 37 sailboat. **It was located in Florida and we sailed it home to St Croix**. We also took a great Windjammer trip on a 90ft sailboat. They allowed you to participate in as much or as little sailing as you wanted.

My husband passed away in 2005. I spent a lot more time playing golf. **I volunteered at the St Croix Animal Shelter which was a blessing for me**. After 2 years I knew I wanted to move and after searching online and in person, I found Citrus Hills and knew it was just right for me. **I joined the CHWC, Gulf to Lake Pilot Club and the Citrus Hills Singles**. Almost as soon as I moved here I joined **Adopt a Rescued Pet and still belong today**. We are a foster based group and we rehome small dogs. Let me know if you are interested in fostering. **I play Mah Jongg, golf and have gone on several trips**

CHWC Membership Committee News

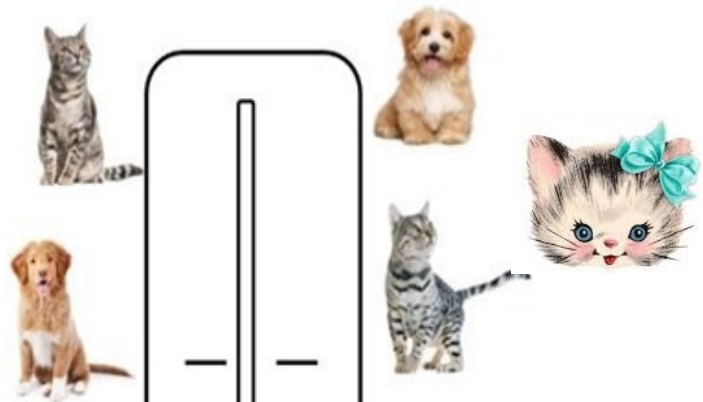

Congratulations to Dawn Holley on her appointment to the Co-Chair position of the Membership Committee, joining Dianne Joyner. She has experience in this area and will do an amazing job!

As of November 30th, our membership has grown to 358 members, 37 of whom are new to the Club. Please warmly welcome these ladies to the Citrus Hills Women's Club and in many cases the Citrus Hills community:

Johanne Moyes, Joan Schultz, Nancy Simon, Joanie Kelsey, Michele Odom, Lora Ann Deck, Lynn Littlepage and Rebecca Factor

We look forward to seeing you at future Club events and luncheons.

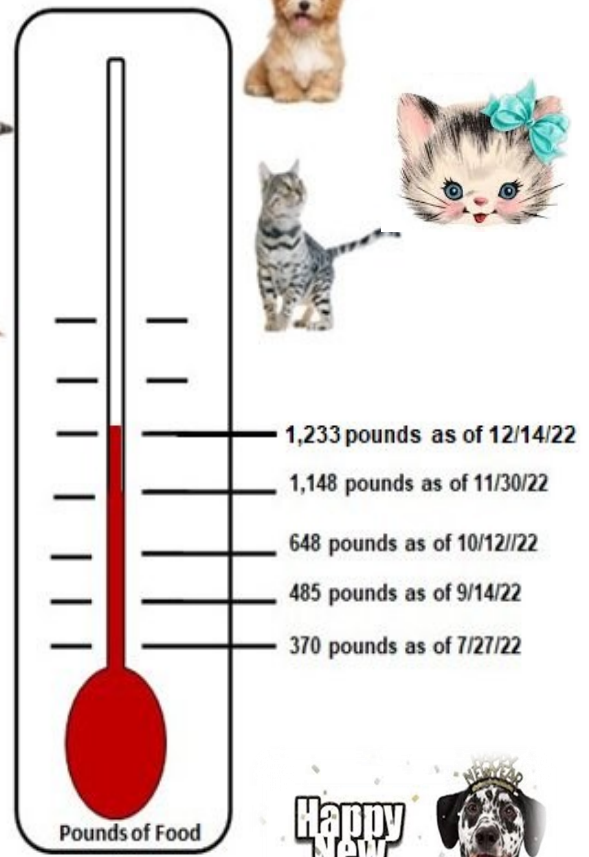

If you haven't already picked up your **2022-2023 Membership Directory**, please stop by the **Membership Committee table** at the next luncheon you attend to get your copy.

By donating to the CHWC Paw Pantry program, we can make a difference.....and what a difference we made at November's drive thru event! 500 pounds of dog and cat food was collected! We will be collecting again at the next luncheon to accept your generous donations. Any brand, any size of unopened, canned or dry dog and cat food is welcomed and appreciated.

The Citrus County Pet Meals Program is supplemental to Meals on Wheels. Pet Meals started nearly 19 years ago when a very thin man receiving Meals on Wheels was only taking small bites of his food and then placing his food tray on the floor for a much beloved Chihuahua to finish his meal. When asked why he was doing this, he stated he did not have the money to buy dog food any longer and that he would rather go hungry than not feed his pet. Pet Meals is a 100 percent donation-based and volunteer driven program that provides dog/cat food to about 100 home bound seniors. Food is not guaranteed and relies on the generosity of the community.

Pets are often the only consistent companion many seniors have and are often considered part of the family and pet food is a big expense.

Thank you!

500 Pound Gain, CHWC to the Rescue

On **December 11th** in the **Chronicle's " Letters to the Editor"** section a very thoughtful letter was written about CHWC. It was heartwarming to **read that our Club made such a difference** in the month of December to the **100 plus senior's** that receive Pet Meals for their much loved companions. Below is the letter recognizing our efforts to provide **food to pets in need.**

Citrus Hills Women's Club came to the rescue

On behalf of the Citrus County Pet Meals Program, I would like to thank the members of the Citrus Hills Women's Club for their generous donations to our program.

Pet Meals runs entirely on donations of food and money to provide a two-week supply of cat and/or dog food to Meals on Wheels recipients who are in need. Our wonderful volunteers pack the food and deliver it every month. Last week we had no dry dog or cat food for our December delivery. When this happens,

we must purchase dog and cat food with the money that has been donated.

But Citrus Hills Women's Club came to the rescue. Their members donated more than 500 pounds of pet food just this past week. There will be many happy pets and pet owners thanks to them!

I'd also like to thank the caring residents of our county who make donations of pet food or money. Our pet owners are so very appreciative of their generosity.

Sally Greiner

CHWC Provides Christmas Cheer for Carter School

Citrus Hills Women's Club brought Santa and his gifts to the head start and preschool children at Carter Street School. Children received a jacket, hat, mittens, socks, books, and toys. Members donated items along with the Family Resource Center and Bombas Socks.

Frank Ringel, aka Santa, and elves Cheryl Ringel, Jackie Huband and Judy Stone entertained the boys and girls with songs and bell ringing.

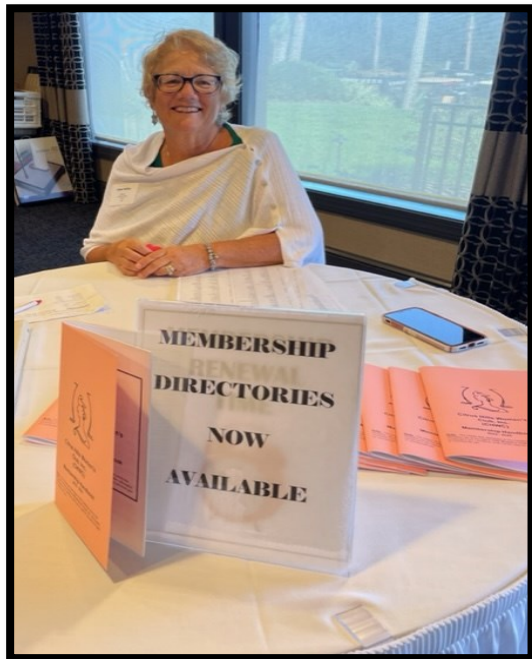

CHWC's community outreach includes support for Carter School throughout the year. Members' charity donations provide needed equipment, reading to the children, puppet shows and supplies.
