

## President's Message

It seems like only yesterday that we cheered **"Happy New Year"** and turned the page to write our *new* chapter. January's chapter was aptly entitled, **"Baby it's Cold Outside."** But even the snow didn't stop us!

We turned to February's chapter and wrote about hope and promise of new life. "Will Punxsutawney Phil see his shadow or not," we wondered. Well Phil, whose full ceremonial name is: **'Punxsutawney Phil, Seer of Seers, Sage of Sages, Prognosticator of Prognosticators, and Weather Prophet Extraordinary'** popped up from his burrow and **saw his shadow**. While he's quite the honored little character, his track record isn't always accurate. So, we optimistically gave a cheer and waved goodbye to ole' man winter. Then, we all boogied on over to the **Leesburg Blues Brothers Tribute Dinner Show** and will be partying soon at **Bunko on the Bayou**.

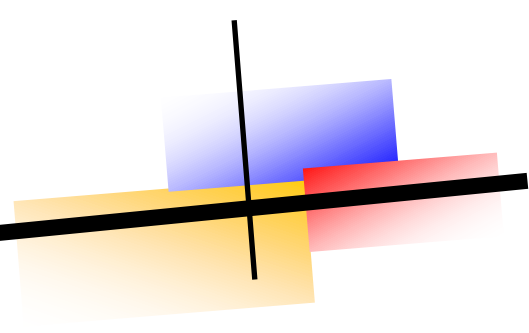

As the March winds **usher in Spring** – we turn the page to a canvas for mother nature to paint of renewed life and beauty. Spring roars in for our club's finale of colorful activities and fundraising events. It blossoms with our March **"Hats off to the Style Show"**, featuring fashions by Chicos. **Ileen Zavoda, Ann Hoy and their team have an awesome show planned for us** – one you won't want to miss! Mary Stansfield and Beth Huntsberry have organized a really cool bus trip to St. Petersburg's newest museum - **the Museum of Arts and Crafts Movement**. It features stunning architecture and incredible works of art, and is located in the downtown waterfront arts district.

Wrapping up March is this year's **final Mah Jong Tournament "Jokers Go Wild"**, chaired by **Pat Crawley and Andrea Pastorello**. There'll be friendly competition and wishes for lots of jokers.

## **President's Message** *(continued)*

April may bring showers, but for us, it brings even more fun and starts to wrap up our club year starting with our **“Women Golfers from Around the World Tournament,”** chaired by **Pam Brink and Trish Coyle**. Following is our bus trip headed to the Sugar Sands Festival in Clearwater. I hope you plan to join us!

You can quickly find upcoming events, trips and club activities on our website. Just go to: <http://www.citrushillswomensclub.org/Activities.htm>

**Finally, as we end our 2022-2023 club year, the** membership will vote on the slate of **Executive Officers** presented for 2023-2024 . There are **two positions** to be filled – I hope you'll considering being part of the leadership team:

1. **Co-Treasurer position** (the ideal candidate will have prior experience as a CPA, Accountant or bookkeeper) and is familiar with **IRS Code Section 501(c)(3)**. This position serves as a back-up to the Treasurer.
2. **Co-2<sup>nd</sup> VP position**. This position primarily **plans the lunch program and secures appropriate speakers/entertainment** for our monthly meetings and serves as back-up the Co-2<sup>nd</sup> VP.

In addition, starting next club year, some of the Board members will be passing the baton. **Additional information will be forthcoming**. If you have any questions about the various positions and the duties of each, please get in touch with me. **Please consider getting involved with the club's operations and bring new ideas and perspectives to the table.**

*Hugs to All -*

*Cheryl*

# Scholarship News

We had a heartwarming experience at our luncheon on February 8<sup>th</sup> when we were fortunate to host one of our scholarship winners, **Jasmine Coatney, from the College of Central Florida, (CCF) and Elvie Tyler, Coordinator of Resource Development at CCF.**

As explained in the introduction by **Scholarship Committee Co-Chair, Claire Lindley,** the scholarship money that is awarded to CCF students is designated **for a woman who is returning to her studies after a lapse of time.** This could be a woman who did not move forward to college studies after high school or one who started college but was not able to complete enough credits for a degree. We were able to award **two scholarships this fall, one to Jasmine and another to**

**Pictured above: Nanette, Elvie Tyler, Jasmine Coatney, Claire and Cheryl.**

**Angela Mulligan.** Angela was unable to attend because of school responsibilities, but Claire read her thank-you letter to the members in attendance. Jasmine spoke to us from the heart, thanking us warmly for our generosity, and explaining her story.

“I am 49 years old and I have **two daughters presently studying in college,**” she began. She went on to explain that she had thought continuously about returning to college, but she just never had an actual plan. And now she does, after seeing her daughters successfully working on their studies, she realized she could do it as well. This spring **she will be completing her Associates Degree in Business Organizational Management,** and next fall she

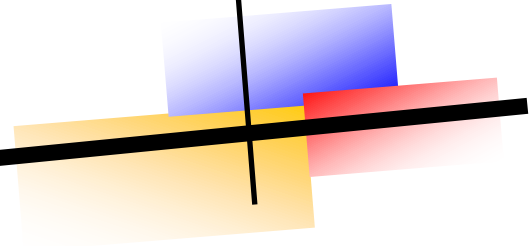

**will switch gears a bit to undertake a B.S. in Coastal Engineering,** a newly found passion for Jasmine. We were happy to hear that she is on the **Dean’s List and has recently been invited to join the Honor Society at CCF.** Jasmine took her seat to a loud round of applause from the members, congratulating her on that news.

**Elvie Tyler** took the stage next and talked to us about the **Educational Foundation** that supports CCF, and shared information about the school and how important it is to our county. The Foundation works very hard to be sure all students who want to attend have a chance. **CCF was voted #1 in the state for its Nursing program,** and #1 in affordability, just to name a few of the areas of which they are proud. It was eye-opening to learn so much about this growing, very important local college.

At our **February Luncheon, the Scholarship Committee raised \$330** in raffle sales, bringing our total this year to over \$2000. Committee members Jane Dempsey and Nanette Mitchell were happy to present our second monthly prize of \$100.00 to Chris Morrison.

**Winner of the \$100.00 prize on the right: Chris Morrison**

## Carter School Welcomes Spring

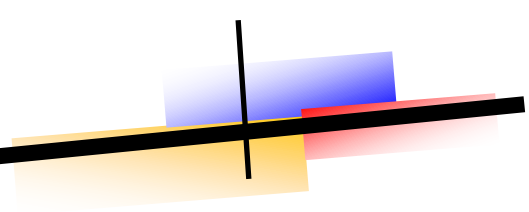

The children at Carter School are enjoying planting seeds for their garden. Spring means more **play time at the newly refurbished playground**; it is divided into three separate areas. Each area is appropriate for the respective age group.

As you conquer your **spring cleaning** (a.k.a. decluttering), send along any office supplies, craft items and yarn that you would like to pass on. Craft items should be **appropriate for ages 2-5**.

New purchases are needed for each child's summer enrichment pack. See below for suggestions.

**Needs/Suggestions:** **Summer toys** such as color books, frisbees, play dough, beach toys, jump ropes, small balls, and outdoor toys.

### CHWC Paw Pantry Needs:

Unopened dry or canned dog food

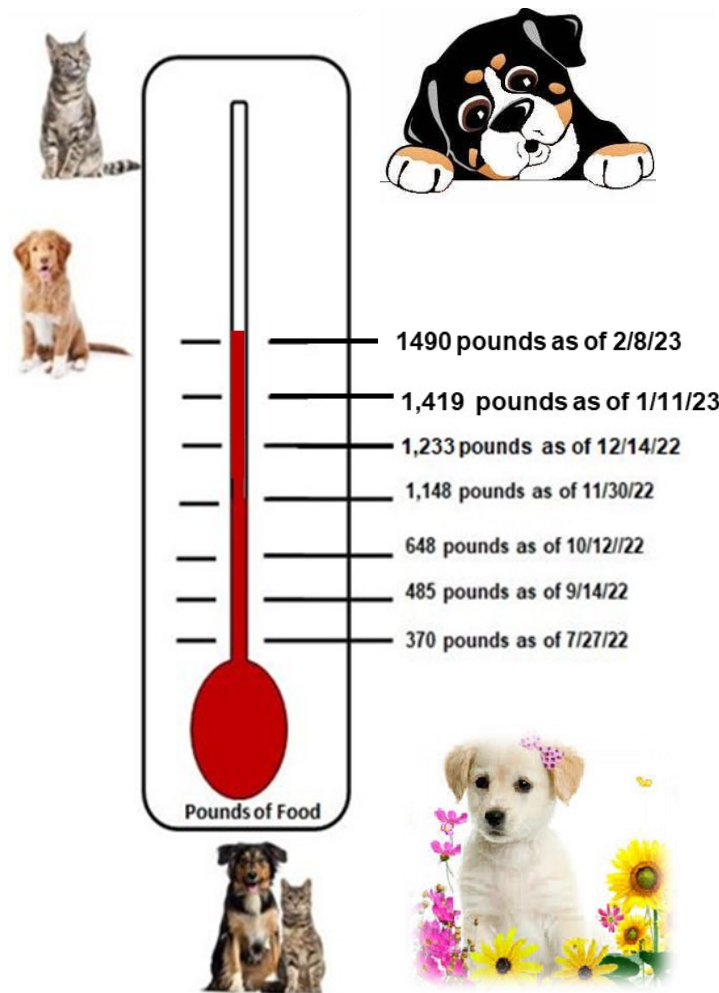

Unopened dry or canned cat food

Watch for BOGOS at Publix's Pet aisle/ any brand or size accepted.

By donating to the CHWC Paw Pantry program, we can make a difference in the lives of over 100 homebound senior's with pets. At this month's luncheon, CHWC's members contributed 71 pounds of dog and cat food. Awesome job! We will be collecting again at the next luncheon to accept your generous donations. Any brand, any size of unopened, canned or dry dog and cat food is welcomed and appreciated.

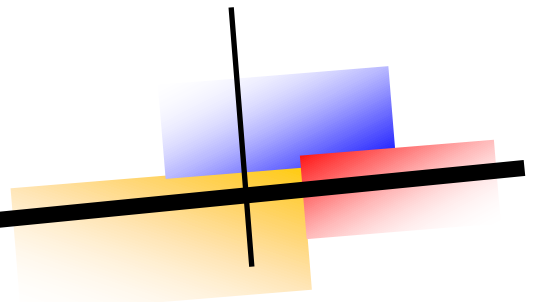

The Citrus County Pet Meals Program is supplemental to Meals on Wheels. Pet Meals started nearly 19 years ago when a very thin man receiving Meals on Wheels was only taking small bites of his food and then placing his food tray on the floor for a much beloved Chihuahua to finish his meal. When asked why he was doing this, he stated he did not have the money to buy dog food any longer and that he would rather go hungry than not feed his pet. Pet Meals is a 100 percent donation-based and volunteer driven program that provides dog/cat food to about 100 home bound seniors. Food is not guaranteed and relies on the generosity of the community.

Pets are often the only consistent companion many seniors have and are often considered part

## Publix's Apron Cooking School in Winter Park

The Citrus Hills Women's Club traveled to Winter Park, Florida to attend the Publix's Apron Cooking School. Aptly named "Some Enchanted Evening" the four-course menu with paired wines for each course was a culinary delight. Chef Rey de la Osa and his talented staff demonstrated cooking techniques and provided a description of each wine. The appetizer "Devils on Horseback" featured Medjool pitted dates and apricots, wrapped in bacon. A salad of curried crab honeydew, and watermelon on arugula came next. The entrée course consisted of pistachio crusted pork noisettes with black cherry demi-glace and roasted root

vegetables as well as filet mignon in a horseradish crust and a creamy potato-fennel gratin. Just when it didn't seem possible to eat another bite the group was treated to chocolate truffle bars with red wine ice cream. One taste of the ice cream answered the concerns of those who weren't sure how it would taste. The ice cream was delicious!

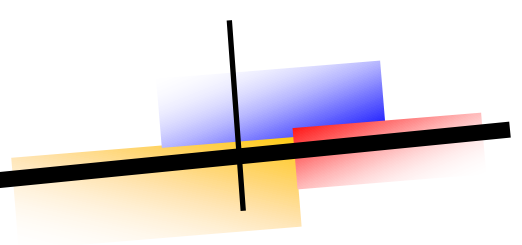

CHWC members Diane Ballou and Del Gillespie savor a delicious meal prepared by chefs at the Public Aprons Cooking School in Winter Park, FL

After the cooking demonstration, members had some time for shopping in nearby stores. What could be better than good friends, good food, and shopping? Led by Beth Huntsberry, this CHWC trip was "Best Ever" as one woman exclaimed.

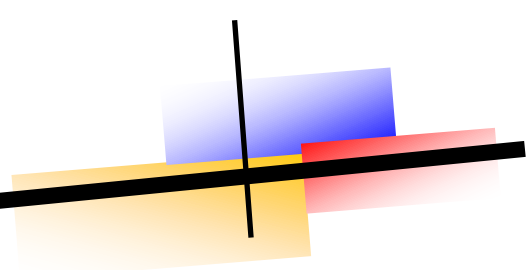

Chef Assistant Khailah demonstrates how to make the black-cherry demi-glace.

## Fascinator Workshop

The first **“Make Your Fascinator”** workshop was an exercise in collaboration and good times. Expect to see these creations at the **March Style Show luncheon** as well as those that are still works in process.

# IN THE SPOTLIGHT

**Name:** Sandy Brex      **Member Since:** 2003

**State:** Tennessee      **Birth Month:** November

**Facts:** I was born in Nashville. We lived in, **Nashville, Knoxville, Memphis and Tullahoma, Tennessee, New Jersey, and Louisville, Kentucky** where I graduated from high school.

After graduation, I went to **nursing school**. That was my single occupational desire and I worked in it all my life. I was a **hospital ward nurse** assigned to the medical and surgical wards. The calling has never left me. I still volunteer weekly at the **Connection Clinic** which is one of **Family Resource's outreach programs** to the homeless and others without insurance.

Throughout the years, we travelled back and forth and sometimes twice to the same state. My husband John was assigned to **New Jersey, Maryland, Georgia, Alabama, California (San Francisco Bay area)**. All of these were relocations with 3 children in tow. We have 2 boys and 1 girl.

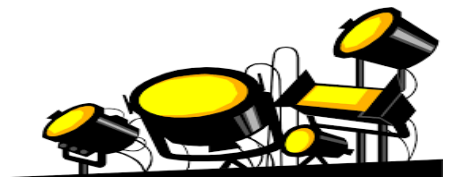

In every State, I applied for my **nursing license and worked part-time** in order to be able to care for my children. We were quite involved with our children's education and extra-curricular activities. We are a close family which now has grown to **5 grandchildren and 3 great-grandchildren**. One of our joys is having family reunions and capturing that joyous growth in our family photographs.

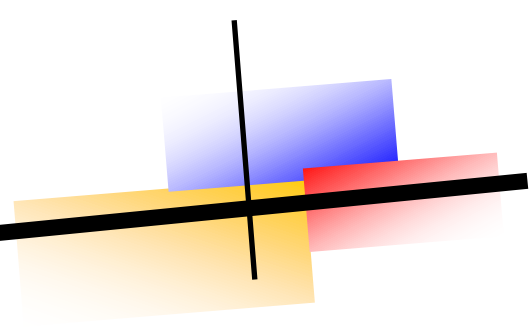

During our vacations, we **loved going camping, kayaking and bike riding**. On one of John's business trips to Florida, we checked out Citrus Hills and felt it was a lovely place to retire. Our California friends couldn't understand how we could leave California for Florida. But we could. Central Florida is beautiful, and we have been very happy with our decision. Soon after moving I joined the **CHWC Club and participated in many of the activities especially the Book Club**. It has been a lot of fun for me and I have met many nice people.

**Open Secret:** I met my husband in New Jersey when I was 14. We "went steady" until I had to move again due to my father's job relocation. But John kept track and showed up a few times in Louisville. We resumed our friendship.

On one of his visits, he showed up at the airport and he proposed. We were **married in Louisville, Kentucky** in 1962. **We've actually been together 70 years.**

**Wish:** We sold our big camper. It was just too big and a lot of work. But I wish **we could buy a smaller one and resume our camping activities.**
