As we bid farewell to Summer, we eagerly embrace the change of seasons and look forward to our favorite fall foods, traditions and celebrations. Similarly, **as Fall marks the first CHWC meeting of the year, there's a buzz of anticipation about what's new and exciting!** Don't let curiosity kill the cat -- keep reading through this edition. This year promises an exciting line up of our time-honored fundraising traditions, an expanded offering of new activities, in addition to our monthly lunch programs. **Along with this, gaining our 501(C)(3) charitable organization status will help us to better fulfill our mission.**

Rather than tell you about things you're about to read inside this edition, I thought I'd share some excerpts from **"relics" we unearthed from "the CHWC time capsule"** (not really – just bins) over the summer that were "buried in the deep darks of the storage unit". **A bin containing a copy of each year of the CHWC Directory (1988 on) was an impressive walk down memory lane.** Here's an interesting glance into how CHWC described itself as it evolved from 1988 to present – yet it still encapsulates our foundational building blocks of **Companionship, Charity, Community:**

- **1988 Directory (94 Members)** ... "This club is a **social organization** established in 1986 for the purpose of further acquaintanceship and friendly relations among the female residents of Citrus Hills."
- **2022-23 Handbook (~320 Members)** ... "Our Club was established in 1986 and is **dedicated to charitable efforts throughout Citrus County and to educational programs.** Members work together in a spirit of friendship for the betterment of the community and to help each other. CHWC is a 501(c)(3) organization."

President's Message—continued

Another great artifact found was a presentation entitled, "Citrus Hills Women's Club – 30 Years Strong!," which represents how the organization has evolved over 30 years (through 2016). Below is just a sampling of the presentation highlights that were interesting.

- 1986:** Luncheon Meetings held in homes of members; **1990** moved to the Hampton Room.
- 1987-89:** Began publishing Membership Directory and Newsletter
- 1991-93:** First Fashion Show; Craft & Bake Sale added as a fundraiser
- 1997-99:** Scholarship Committee established; Ways & Means Chair added.
- 2004-05:** Activities Committee formed with emphasis on outside day trips.
- 2006-10:** Developed website; Victorian Tea & Annual Mistletoe Ball
- 2011-16:** Website expanded; Newsletter available digitally; Mardi Gras themed Fashion Show most profitable fundraiser to-date

The presentation ended with "**A Promising Future: 2016 and Beyond.**" A quote from **John F. Kennedy** comes to mind: "**Change is the law of life, and those who look only to the past or present are certain to miss the future.**"

Ladies, I hope you will join me and become part of the change that defines that "promising future". **The future is now.**

Hugs, Cheryl

October 2022 Luncheon Speaker

Community Crimes Detectives Joshua Cutlip and Kyle Helfritz will be the speakers at the October CHWC meeting. Their focus will be on Crime Prevention, steps to take to avoid becoming a victim, and discussion on scams.

The mission of the Citrus County Sheriff's Office Crime Prevention team is to create an active and involved partnership to educate and provide resources to assist in keeping our community, families, and businesses safe.

Crime Prevention is the anticipation, recognition, and appraisal of a crime risk, and the initiation of action to remove or reduce it. Crime Prevention is an active approach utilizing public awareness and preventive measures to reduce crime.

Some things to keep an eye out for include:

- Someone running from a car, home, or business.
- Excessive traffic to and from a specific residence, especially during unusual hours.
- An individual screaming or an alarm going off.
- A person who has no purpose or is wandering the area.
- Strangers offering services or products for an extremely low price.
- Abandoned property.
- Motorists stopped to talk to a child who is visibly uncomfortable or is resisting.

ACTIVITY/TRIP CANCELLATION POLICY

The CHWC collects fees for various bus trips and fund-raising activities throughout the year. Payment for such is due when a member signs-up to attend the event or activity. Because of administrative costs and pre-payments due to vendors, **the club is unable to issue a refund should a member have to cancel their reservation.**

Therefore, we suggest the following as an alternative. Should there be a waiting list, the member can ask the activity/event coordinator for a name from the waiting list. **The member can then call that person and arrange to get payment directly from them.**

KEEP CITRUS COUNTY WARM IS BACK

This is a project sponsored by the **CHWC** that began in 2014. **Coats, blankets, sweaters, hats, any type of warm clothing is collected for our Citrus Hills families that are struggling and/or homeless.** We have many people in our community that are in dire need of assistance. The colder weather months are particularly difficult for these families.

At our November 9th luncheon, a box will be at the outside door, top of the stairs for you to donate any warm clothing you no longer need.

Co-chairs for this event is Ileen Zavoda (352)527-3104 and Sheri Tigner (352)586-2831. More detailed information will come to you later.

The **Craft and Bake Sale has been a great fundraiser** in the past and with your help, it will surpass last years donations. **With a grateful heart, we send warm wishes to Peggy Bock** who chaired this event for many years and **generously mentored Dianne and Sharon.**

**Please help the Family Resource Center put

- **Donating clothing and/or toys for any child**
- Donating funds to purchase **clothing and/or toys** for any child
- **Volunteering your time** inventorying children's packages, wrapping and etc. at the center

ADOPT A CHILD FOR CHRISTMAS 2022

The “**Adopt a Child Project**” is a coordinated effort of agencies and schools in Citrus County to **provide Christmas gifts for the underprivileged children in the county through the Citrus County Family Resource Center’s “Adopt a Child” for Christmas project.** In 2021, this project **provided Christmas gifts to 2,076 approved children and has provided Christmas for many of thousands of children for over 37 years.** Children’s names are cross-checked with names that appear on other agencies lists and a **determination is made by CCFRC as to which agency will be providing their gifts this year.**

Unopened dry or canned dog food

Imagine not having the means to buy food for your pet? How can CHWC help? After the last food drive, we added another **115 pounds** for Paw Pantry.

By donating to CHWC Paw Pantry program, **we can make a difference!** We will be having a special container at luncheons and/or at charity drive thru events to accept your generous donations. **Any brand of food is welcomed.**

The **Citrus County Pet Meals Program** is supplemental to Meals on Wheels. **Pet Meals started nearly 19 years ago** when a very thin man receiving Meals on Wheels was only taking small bites of his food and then placing his food tray on the floor for a **much beloved Chihuahua to finish his meal.**

When asked why he was doing this, he stated he did not have the money to buy dog food any longer and that he would rather go hungry than not feed his pet.

Pet Meals is 100 percent donation-based and volunteer driven program that provides dog/cat food to about 100 home bound seniors. Food is not guaranteed and relies on the generosity of the community. **Pets are often the only consistent companion** many seniors have and are often considered part of the family and pet food is a big expense.

In the Spotlight

Name: Elizabeth D'Andrea

Member Since: 2017

State: Virginia

Birth Month: October

Facts: My first memory was playing with our boxer, Rex. Animals have always been a big part of my life which made growing up on a chicken farm fun. Every spring we would get 50-100 brand new yellow fuzzy chicks for me to play with (but not get caught because my Mom would get pretty mad). **As a 4-year-old, my days started at 5AM where I was to gather the eggs from the chicken coop and give the chickens their breakfast.** Today, our farm would be called a "free range farm" - this is how it was done in the 50's. Growing up poor taught me to be frugal, thankful and generous; traits that have guided me through good times and bad.

A key part of my life is my faith which I rely upon daily. We are members of **Shepherd of the Hills in Lecanto** which is a wonderful Christian home for my husband, Steve and me. My husband is a wizard with computers and networks – but he also can do almost anything around the house. Lucky me, right? We have four children and ten grandchildren....more chickens for me to play with.

As an engineer, I **served my country for 40 years** working as a civilian scientist at NASA, all the military services (Army, Navy and Air Force), the Office of the Secretary of Defense, and the White House. **My specialty was weapons development and analysis.** My passion was weapons that had never been created before so I was very happy to develop crazy things like lasers off of ships, new Navy guns and numerous technologies focused on terrorism, drug interdiction and battle damage assessment. I have traveled to the most interesting places for work such as **Afghanistan, Tajikistan, Uzbekistan, Pakistan, Colombia, Bolivia, and all of Europe.** I have had the BEST teams anyone could ask for and we accomplished what most Admirals, Generals and Congressmen/women said would be impossible – all on time and within budget.

My hobbies are **shopping, golf, cooking, everything Mah Jongg (playing, collecting and the art), kayaking, travel, playing with my grandchildren and my dog Sophie, sewing, decorating, gardening, shopping, reading and participating in prayer groups.** I called Virginia home my entire life until we moved here 8 years ago. We have had 2 houses in Citrus Hills – one "outside the gate" and now "inside the gate". I have been a member of CHWC since 2017. I love it here and feel blessed to have CHWC and Citrus Hills in my life.

Open Secret: Something I consider a secret but am willing to share is that I have a **Doctorate degree in Systems Engineering** which helped me immensely during my working years but I don't talk about it because I consider it what I did and not who I am.

Wish: For **everyone to accept and love all people** regardless of race, sex, religion, education and/or political preference.
