Welcome October! Lions and tigers and bears, oh my! *WAIT! Wrong memory...* Pumpkins, gourds, mums, and more. **Colorful wreaths and pumpkin spice...** All these conjure up vivid memories of fall! One of the club's favorite Fall moments was welcoming both familiar and new faces at the September luncheon. The room was filled with chatter and laughter of women as they reconnected with old friends. Attendees enjoyed **September's program speaker, Dr. Denise Pasquale**, who presented on the topic of **Communications Across Generations**. I hope you'll join us at the October luncheon, where we'll have **Cindi Fein, Executive Director of the Citrus County National Alliance on Mental Illness**, present on the importance of mental health care and understanding/identifying the signs of distress.

October brings the return of many of our "snowbirds" and marks two of our favorite Fall fund-raising tournaments: Mah Jongg and Golf. This year, CHWC's **"Year of the Rabbit" Fall Mah Jongg Tournament, chaired by Andrea Pastorello and Lynda Gentz**, starts our schedule on Thursday, October 26th. It promises to be a fun time, no matter what level of player you may be! The following week leads into our Fall **"Black & White Classic" 9-hole Golf Tournament, chaired by Barbara Beck**, to be held on the Oaks golf course on **Friday, November 3rd**. Space is still available and both tournaments welcome participation of non-members, so feel free to spread the word! Mark your calendars!

For those **ladies who like to exercise their right-brain and unleash their super creative powers**, please consider donating your artistic innovations to our November fundraiser - **CHWC Marketplace**, complete with bakery and food items and crafted treasures for purchase. This club is filled with **rich and diverse talented club members** and I am looking forward to this year's event. It's a great place to pick up some holiday gifts.

HALLOWEEN

President's Message—Continued

What's up with bus trips this year? Many have already heard that Publix has closed its Apron's Cooking School doors. I know this was one of the more coveted trips – rest assured, **Mary Stansfield is on the hunt for a replacement!** Rising costs, especially for transportation, have been a huge factor in planning considerations this year. Mary has some potential trips lined up for the **months of December, January and March**, but I won't let the cat out of the bag until she's ready! If you have an idea you'd like to propose and take lead – please reach out to Mary. She has several smaller group activities planned which were hits among club members last year, including a come-back of **golfing at Black Diamond!** Stay tuned for more!

I want to take a moment to **extend a sincere welcome to all of our new members.** Don't be shy, I encourage you to jump in and participate in one of our many volunteer opportunities. There's no greater way to enjoy the company of others and forge new friendships.

“Every new friend is a new adventure... the start of more memories.” *Patrick*

Hugs, Cheryl

CHWC Luncheon

**Guest Luncheon Speaker: Cindi Fein, Executive
Director at NAMI Citrus - National Alliance on
Mental Illness**

Millions of Americans quietly battle mental health issues. In fact, one in five US adults experience mental illness each year and **many do not seek treatment for mental illness due to the associated stigma.**

For many who are thinking **about retirement or have recently retired**, this is supposed to be the most magical years of your life, promising exciting travel and bucket list experiences. You've worked hard for so many years to reach this point, and now you have the opportunity to relax and enjoy your time with family and friends. Unfortunately, for many older adults, they don't feel so optimistic after retirement. In fact, retirement can bring about **significant mental health issues**, including **depression and anxiety**. Often, there is a loss of identity, lack of a family support system, feelings of social isolation, lack of routine, financial challenges, physical health decline, and fear of aging. **Even worse, the loss of a significant partner to enjoy your retirement years can be devastating.**

The Citrus Hills Women's Club is pleased to welcome **Cindi Fein, Executive Director at NAMI Citrus - National Alliance on Mental Illness**, who will help our members understand the signs of mental health distress and **what we can do to help one another as friends and neighbors.**

**Happy
HALLOWEEN**

CHWC Membership Committee News

As of September 15th, our membership has grown to **332** members. **Our newest members are:**

Laurie Dailey, Carol Leonhard, Sue Ackerman, Linda Wisner, Melody Buckley and Sharon DeLong

Welcome to the CHWC. We hope that you will participate in the many activities and events that the club provides, and we look forward to meeting you at a future luncheon.

Please stop by the membership table to introduce yourself. If you have any questions, **please feel free to contact either Debby Blackie or Dawn Holley.**

Dawn Holley and Debby Blackie
Membership Co-Chairs

Name: Jane Dempsey
Member Since: 2020
State: New Jersey
Birth Month: September

Facts: I was born in northern New Jersey to a family that dates back prior to the **Revolutionary War and am a member of the DAR.** We have family ties back to the Mayflower. I have fond memories **of family RV trips all over the country,** hiking in the woods with friends, and playing clarinet in the school band. We relocated to Fort Walton Beach, Florida, after my father was transferred there, where I finished high school and met my husband, Russ. We will be **married 45 years** this July. After high school, I went to college at the **University of Florida** and then to the **University of West Florida where I earned a degree in business management and then** moved back to New Jersey. My husband, a southern boy from Florida, enjoyed the north. He loved the mountains and the change of seasons and in the winters we skied regularly. We also got **our diving certification and spent many vacations and weekends experiencing the reefs of the Caribbean and Belize and the wrecks of the St. Lawrence Seaway.**

I returned to school at night to **complete my degree in International Business from Fairleigh Dickinson University.** Most of my career was in finance and my most significant job was with Emerson Electric in their Finance Department. We were transferred to the **Philippines and lived in Manila for 7 years** where I was overseeing their Shared Services Group. Living in a new and developing country gave us a **totally different perspective of the world and appreciation for life in the US.** Since we had been divers, the Philippines was an excellent place to dive and study the diversity of their marine life. While there we also had the opportunity to visit other countries including **places like Sumatra, Borneo, Myanmar, Viet Nam, Laos, Cambodia, Thailand, Japan and China.** One special experience I had in the **Philippines was eating Balut** as part of a teambuilding event. Balut is a fertilized duck egg which is consumed while **the duck is in various stages of development.** Watch out for feathers and beaks! It was suggested by a coworker that I eat it in the dark.

After 7 years, I was transferred to a **division in Clearwater where we lived for 5 years.** We moved to Citrus Hills where I could continue to work remotely at the time of the pandemic; I retired in 2021. **I joined the CHWC and work as a volunteer on the Scholarship Committee and I also help with Mah Jongg tournaments and bake sales.** I golf with my husband as well as with friends and in leagues. **Russ and I are avid cooks** and we're always looking for new ingredients and interesting recipes to try. We love to go hiking and are fascinated by our observations of nature in the nearby preserves. We live with our crazy cat, **Darwin, who was a feral kitten that adopted us** when we lived in the Philippines. He now lives his life lounging by the pool.

Open Secret: When I was only 13 years old my father and a colleague who lived in London arranged for me to spend the summer with his family. My parents put me on a plane with my ticket and passport in hand and I landed in London meeting people I did not know. **That entire summer, with maps and cash in hand, I explored all of London and parts of the countryside by myself. No cell phone, no GPS.** I didn't think anything of it at the time. The lessons I learned about independence and resourcefulness set the tone for how I approach life.

Wish: As a young person, I was curious about foreign lands and cultures. **I loved to read my parents' National Geographic magazines** and admired the photos. I wished that I could travel to all these places and experience these things myself. In my life and career, I was fortunate to have the opportunity to have many of those experiences. **And now in retirement, I'm not done yet.**

Member Support

The **Member Support Committee** sends cards to members who are ill or recovering from surgery and makes a memorial donation in the event of the death of a member or her spouse. At the monthly luncheons, the **Committee coordinates Share the Wealth activities**, and it provides for the provision of an inspirational reading.

In the past month, the Committee **sent cards** to: **Carol Pterman, Carol Fox, and Anne Amann**. A sympathy card was also sent to **Joyce Remler in memory of her husband Jim**. **A memorial donation was made in his name to Citrus County Blessings**.

Bette June Egan has kindly agreed to continue providing us with her amazing inspirational readings at our luncheons this coming year. What is even more amazing is that **Bette June tells us she has been providing these readings since 1996 and has made a concerted effort to assure that each reading does not duplicate one from the past**. The CHWC would like to recognize and thank Bette June for her commitment and dedication over more than the past 25 years to research and find hundreds of readings that have uplifted and brought inspiration to our members.

If you know of someone who needs a bit of sunshine whether it be a card or a call, please contact **Pam Brink** at (352)513-4120 or pambrink49@gmail.com or **Marcia Porterfield** at (734) 223-2026 or porterfield1921@gmail.com

The Scholarship Committee

The leadership of the **Scholarship Committee** has recently contacted those women who had expressed interest in joining our committee for the 2023-2024 academic year. We had only **one opening to replace our hard-working past Co-Chair, Claire Lindley**. We were extremely pleased by the number of applicants, as well as by their competence, experience and passion for education and our local students. After completing the interviewing process, we are happy to report that we have filled the vacancy with a very accomplished woman, **long-time CHWC member, Henny Feldberg**. **Henny will join our sitting members Jane Dempsey, Sybil Letzing, Gail Bockario, and Janice Clark, along with co-chairs Marcia Schenker and Nanette Mitchell.**

We want to thank **Claire for her tireless service to the community for the past several years**. We all will try to emulate her passion for Citrus County students as we continue the work of our committee. Our first meeting of the year will take place on October 27th, when we will review our 2024 Scholarship applications and organize our work for the year.

The CHWC has been able to increase its generosity over the past few years to include scholarships to local college students in addition to the traditional high school students we have honored for many years. We look for “non-traditional” students who are studying to be able to give back something important to the community. **Last spring, we were pleased to award \$1000 scholarships to two such students from Withlacoochee Technical College whose lives took a “different path.” They were John Michniewicz and Kjelden Cundiff.**

John, 42, had earned a BS in Informational Systems in 2004 before his father fell ill and he became his caretaker for close to 20 years. He recently decided to go back to school and completed the entire WTC course work in his field of technology, which **led him finally to Applied Cyber Security**. When we met with John last spring, he thanked the committee for the Club’s generosity, saying “You guys kept my lights on!” At the time of the meeting, having completed an internship for the Citrus County School Board, **John was in the “on-boarding” process with the Marion County Sheriff’s Office for a position in Cyber-Security.**

THE SCHOLARSHIP COMMITTEE - CONTINUED

Kjelden, 54, came back to Florida last summer with his wife and children after a few years in Las Vegas, Nevada. He worked as a state law enforcement officer there but says he had been thinking about going into nursing for a long time. He began his studies in August 2022, and finished his LPN on June 12, 2023. He hopes to earn his RN at CCF while working at his first job. Since not all nursing students make it through the WTC program, Kjelden is considered one of the stars! In the thank you note we received he wrote, ".....*I can assure each and every decision maker that you can consider it as an act of paying forward, as I intend on taking my degree and becoming an important part of the community. God willing, I will give back to those coming up behind me ten-fold. I am grateful beyond words.*"

We thank you once again for contributing to the Club's scholarship efforts through your contributions to the Scholarship Raffle at every luncheon and at our drive-throughs. Just \$10 a month goes toward making a difference in the life of a community member who will one day contribute to the success and well-being of the place we now call home. And you may be a \$100 winner! Drawings begin at each CHWC Luncheon, starting in January.

Sponsor A CHILD FOR CHRISTMAS 2023

Can you guess what time of the year is approaching??? It is Christmas. The Family Resource Center is preparing for the 2023 "Sponsor a Child Project". In 2022, the center in coordination with the schools and agencies in Citrus County was able to provide Christmas gifts for over 1800 children.

How can you help:

- Sponsor a specific child who you will be able to shop and buy gifts for.
- Make a financial donation for clothing and/or toys for any age child.
- Donate clothing and/or toys for a child of any age.
- Volunteer your time to help process the packages or wrap the gifts.

At the October luncheon, forms will be on the tables to sign up to sponsor your child. Help make this Christmas special for a child this year. For additional information please contact Debby Blackie at

dblackie@yahoo.com

Pets are often the only consistent companion many seniors have and are often considered part of the family. Seniors would rather go hungry themselves than not feed their pet. **Pet Meals is supplemental to Meals on Wheels. Pet food is not guaranteed, and seniors rely on the generosity of the community.**

By donating monthly to the CHWC Paw Pantry program, we can make a difference in the lives of over 100 seniors with pets. We collected a total of 2,008 pounds of dog and cat food in 2022—2023. **162 lbs.** was collected in Sept.

What's in Store for Activities in 2023-24?

The creation of **Let's Try It Out (LTIO) activities** in 2022 gave members the opportunity to explore a variety of activities ranging from flower picking to movies to horseback riding and more. Since the start of the CHWC year in May, we've picked flowers, harvested blueberries, gone to movies together, made cards for the Sunshine Committee, and laughed through Bunco Happy Hour. What we learned is that our members find these smaller group activities a great way to meet new people who share their interests. Rather than shouting across a table to introduce yourself or trying to hold a conversation over the clatter of silverware, participants in LTIO activities provide a great starting point to make new acquaintances and try new things. **We especially encourage new members to join in.**

Talent is never required but we love enthusiasm. To meet members' interests, we created a monthly **cardmaking group**. We've added a **workshop for more advanced Mah Jongg** players in addition to our twice-yearly beginner classes. **Bunco Happy Hour** is now a regular monthly event. In response to a member's request, we are organizing a **"Learn to Play Bridge"** series. *Most exciting of all is that each of these groups is led by members of CHWC who are willing to share their time and talent with other members.*

In 2023-24 we are focused on providing additional opportunities for members to experience new things. **Three workshops** are planned to get you ready for the holidays: **Easy Elegant Appetizers**, **Making a Holiday Wreath**, and **Creating a Distinctive Centerpiece** in November. December's schedule includes **gift wrapping at the Resource Center** in support of Adopt a Child. In January we'll have a **special activity in support of the February Fashion Show**.

In February, we'll head to the **Annual Beth Rose Polo Match (2/10)**. March is a repeat of the 9-hole golf fun round at **Black Diamond (3/18)**. And these are just the start.

What about bus trips, you ask? The rising price of fuel has increased the costs of our trips. Related costs for tickets and food also have impacted pricing. Prior to COVID bus trips generally sold out. **During the past year we had far fewer participants.** We adjusted to the reduced demand by using a smaller bus and opening seats to "friends and family". Because of these challenges, bus trips won't begin until November when many of the snowbirds will have returned. **We hope to have the line-up finalized by the October luncheon.** Fortunately, several members have stepped up to the challenge to leading a trip so there will be a substitute for the Aprons trip in January as well as **one to the Kennedy Space Center in 2024. Stay tuned.**
