### *President's Message*

I hope everyone enjoyed the jolly festivities that come alive with the holidays. **My December was personally filled with more excitement, family togetherness, and amazing revelries than I've experienced since my children believed in Santa Claus!** I hope that each of you also holds special memories of this wonderful time of year!

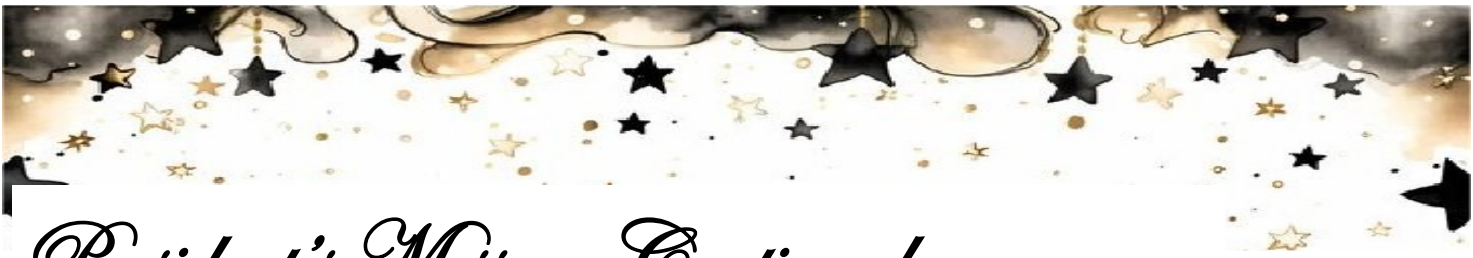

As I reflect on 2023, **I am proud to have served as president of this unique women's club.** I am thankful for the ladies who have dedicated themselves to serving on the board and who have worked with/supported me; and also for the **many, many women** who have generously given their time to either chair, lead, or participate in the many fundraisers and activities that the club has sponsored. The **Citrus Hills Women's Club, Inc. (CHWC)** is truly an exceptional family of beautiful and talented women!

Looking forward to the new year, **I'd like to raise my glass in a special toast to you – wishing you a happy and healthy 2024!** The new year brings promises of opportunity and change, along with more exciting times for the CHWC. **(Keep reading to find out what's cooking on the front burner!)** We have a lot to accomplish this year and I'm confident – once again – that we'll exceed our fundraising goals! **It warms my heart to see the good that we do to help our community.** (continued on page 2)

Just as I challenged myself two years ago, I **now challenge YOU to step forward into a leadership position (there are several board positions that expire in May)** and commit to making a difference! The new year is like a blank book, and we all hold the pen in our hands to write the next chapter. **I look forward to seeing your name in the next chapter!**

**Best wishes for a joyous holiday season!** look forward to seeing you at our

## *January 2024 Luncheon Speaker*

We are pleased and equally excited to have **Steve Howard, Citrus County Board of Commissioners Administrator, as our January 2024 guest speaker.** Mr. Howard will present to the membership a vision of **"A Year of Action"** in Citrus County.

Be sure to **submit your luncheon reservation early to secure your seat for Mr. Howard's informative presentation.**

**Name: Peggy Bock**  
**State: Arkansas**

**Member Since: 1999**  
**Birth Month: August**

I grew up on a **farm in Arkansas**. When it was time to choose a profession, I decided on **joining the banking world in Helena, Arkansas and so I chose my career for over 40 years**. I continued my **career in Tennessee, Michigan, Wisconsin and Illinois**. While in Memphis, I worked in the Trust Department and while in Michigan, I helped our Trust Officer set up a Trust Department for our bank.

While living in **Memphis, I met Alan, my future husband, who was attending Christian's Brothers College**. We married and had two children. I was fortunate to have my mother's help while I worked until we moved to Michigan. **We lived in Michigan for several years** until Alan decided to get his master's degree and we moved to Milwaukee for him to attend Marquette University. He became a full-time student, and **I continued working in my banking career**.

After several years, **we moved to Libertyville, Illinois** where Alan started a career with Abbott Labs, and **I was going to be a stay-at-home Mom**. After one year at home, I wanted to work part time, and that eventually **turned into a full-time job as Vice President of Marketing and finally as VP Branch Manager**. I continued my career attending classes at University of Colorado and Southern University of Illinois. I also **served as the first woman President of the Chamber of Commerce** for our three villages. I also served on many charity organizations' boards that benefited the people of our community.

While **visiting my friend Judy Cummins in Hernando, FL**, I fell in love with the Cattle and Horse farms in the area. It reminded me of my original home. So, in 1997 we bought a home in Citrus Hills and when I retired from the banking world in the fall of 1998 Alan, and I moved here in January 1999.

I became **active in CHWC as Hospitality Chairman for a couple of years**. I love what our club has always meant to the community in supporting those in need. **I served as your Treasurer for several years and VP of Ways and Means(1st VP)**. I also chaired the **Bake Sale for many years along with the Craft Chair**. It's always been so rewarding to work with so many beautiful caring women during these 20+ years.

Alan and I chose **traveling as our together hobbies** and traveled the world enjoying the many cultures that we encountered. Other **hobbies include Mah Jongg, Bunko, and reading**. Life has been a joy and **I now have 5 grandchildren and 2 great grandchildren**.

**Open Secret:** While living in Memphis. **I became friends with one of Elvis Presley's very close friends who took me to parties hosted by Elvis at Graceland**.

# Member Support Committee News

Three cards were sent out this month. The cards went to **Julie Wolf, Dawn Holley and Carolyn Robertson's husband, Randy**. Please let us know if someone needs a bit of sunshine whether it be a card or a call, contact **Pam Brink** at (352) 513-4120 or [pambrink49@gmail.com](mailto:pambrink49@gmail.com) or **Marcia Porterfield** at (734) 223-2026 or [porterfield1921@gmail.com](mailto:porterfield1921@gmail.com). Each month at the luncheon there is a clipboard where members can write down the name of someone who needs a card. That is one more way you can let the member support team know that someone needs a card.

At the December luncheon, **Bette June Egan** shared “Christmas is Friendship Time” written by **Helen Steiner Rice** from Loving Thoughts. Thank you, **Bette June**, you always inspire the membership.

# Scholarship Committee News

The Scholarship Committee has been hard at work this past month. We are very excited to announce that the **CHWC Board approved a motion proposed by the Committee to include Crystal River High School in our scholarship program, beginning in the spring of 2024.** All Board members were very supportive of this important change. **Co-Chairs Marcia Schenker and Nanette Mitchell** met with Kim Stratton, the scholarship coordinator at Crystal River High School in late November, who was delighted to welcome our organization into their school. She explained to us that **the school has a four-year Health Academy, offering programs in biomedical, ENT, and dental,** and has strong bonds with the College of Central Florida and Withlacoochee Technical College. They also have students taking AP courses and enrolled in the Dual Enrollment program at CCF.

Additionally, the co-chairs met with the guidance counselors **who coordinate the scholarship programs at Lecanto High School and Citrus High School,** Beth Evans and Callie McClain, respectively. We learned even more about each school and were invited to their Scholarship Nights in the spring of 2024.

On December 5<sup>th</sup>, Nanette and Marcia went to a meeting at WTC, **where we met with our two young \$1000 scholarship winners and two school administrators, Mr. David Roland, WTC Director, and Ms. Diana Cooper, Financial Aid Specialist.** We were overjoyed to meet the two young men, **Tim Dottillis and Andrew Annand,** and they were gracious and generous with their time and comments.

Left to right: Diana Cooper (WTC Financial Aid specialist), David Roland (Director, WTC), Andrew Annand, Tim Dottillis, Nanette Mitchell and Marcia Schenker;

# Scholarship Committee News

We learned that **Tim (26)** was born in Inverness and grew up in Crystal River, graduating from high school there in 2015. He immediately joined the Navy and stayed in the service for six and a half years, working at the **Seattle-Kitsap-Bangor Naval-Submarine Base**. Tim worked in nuclear weapons security while there, serving in the harbor security patrol, the last line of defense for submarines and nuclear weapons. Tim was also stationed at Key West for a while. He began his education at WTC in the welding program, but then switched to technology support. He uses funds from the Montgomery GI Bill to help with living expenses and was thrilled to get support from CHWC for his tuition.

Our **second winner, Andrew (27)**, was born in Brooklyn, NY, and grew up in Queens, NY. He moved to Florida three years ago to help his Dad with his business, the Crystal River Motel, on Route 19 in Crystal River, and is still working there while in school. **While in New York he did auto-motive body and mechanic work, but he always had an interest in the CISCO program, an introduction to networking, when he was young.**

**Both students are now involved in a very strenuous course of study, which will allow them to work in the world of cyber-security when they graduate.** They both have several certificates, including an A+ certificate in general hardware and **software technology, and PC Pro, but this term they are working to earn the Security + and Security Pro certificates**, which will allow them to work at a bank, a big organization like a university in the cybercrimes division, (Tim's goal) or a large corporation like Amazon or Google, (Andrew's goal). **They are full time students who need to put in 600 hours to become cyber-security specialists and then another 150 hours to take and pass a series of penetration tests.**

**Andrew Annand and Tim Dottillis**

# Scholarship Committee News

Tim expressed that he would like to stay in Florida and work for UF in Gainesville, or the Tampa Bay Rays or Tampa Bay Lightning. Andrew is willing to move if he gets a good offer! Both men have used A-I in their work and are looking forward to learning more about it in the future.

It was a heartwarming experience to meet these two students. They expressed their appreciation and gratitude to us, and to all of you, who support the CHWC scholarship program.

All who attended the CHWC December Luncheon had a heartwarming and very gratifying experience, as we were entertained by about 30 members of the Lecanto High School elite choral singers. We were also introduced to the young woman who will be taking over as choral director in January after the retirement of the present director. Her name is **ASHLEY EVANS**, and she was a CHWC Scholarship winner in **2018!** When introduced to the membership she received a thunderous round of applause. It was truly heartwarming to see our mission fulfilled in person, with one of our winners coming back to Citrus County as an educator. Bravo!

We want to thank everyone who attended the luncheons this fall and supported the Scholarship Committee through their purchase of a raffle ticket. The more tickets you have, the better your chances of winning the \$100 prizes we will begin awarding in January! We have raised over \$1,000 to date and are most appreciative of your help as we work to achieve our goals for the students of Citrus County. We thank you for your on-going generosity.
